Introduction

Ife Journal of Social and Civic Studies (IJSCS) provides a medium for academics, scholars, teachers, policy makers and service providers (among others), to disseminate research reports and exchange experiences, that could provide further insights into solving human problems, improving the content and methods of teaching Social Studies across all levels of education; and widening intellectual horizons in social problems research, especially as it affects the human existence.

Ife Journal of Social and Civic Studies (IJSCS) is published on a continuous basis (online first and annually in hardcopies) by the Institute of Education, Obafemi Awolowo University, Ile-Ife, Nigeria. The journal welcomes well-articulated papers/articles related to human problems and their solutions following the use of a variety of appropriate methodologies and methods in the conduct of research and inquiry (theoretical, empirical and experimental studies). The editors invite submission of manuscripts from contributors for publication. Manuscripts are peer-reviewed anonymously, and those that are accepted are published in an issue of the journal on a monthly basis and first hoisted online on IJSCS Website (<https://ijscs.oauife.edu.ng/index.php/ijscs>) immediately they are accepted for publication.
